For all Texas students, the [Texas Essential Knowledge & Skills \(TEKS\)](#) are the standards. The [TEKS Resource System](#) is where to go for curriculum scope & sequence. All other products referred to as *curriculum* are simply supplemental to the [TEKS](#) & TEKS Resource System. All students in Texas must have access to grade level TEKS regardless of student functioning level. Access the prerequisite skills at [TEKS Curriculum Framework Documents](#), [TEKS Vertical Alignment Documents](#), and [Early Childhood Vertical Alignments](#).
