The Region 17 Interactive Video Network will provide opportunities for students to participate in learning experiences in real time with students and/or teachers at other regional sites and institutions. Because of the uniqueness of this opportunity certain standards are expected of students enrolling in these courses. This contract is intended to make both the students and the parents aware of the standards expected of students enrolling in such courses, workshops, meetings, sessions and events.

As a student taking an interactive video course or participating in a learning situation on the Region 17 Interactive Video Network, I am aware that:

1. Certain standards are expected of me, as a student, and insubordination of any kind will not be tolerated. Insubordination has been defined as anything that interferes with teaching or learning in the classroom in the judgment of the teacher or facilitator of the course or meeting.
2. Inappropriate language or gestures will not be tolerated.
3. Anything being taught or that I do in the classroom can be videotaped by anyone at anytime.
4. Classroom procedures that must be followed are:
 - a. Students must sit within camera view at all times.
 - b. Students must not mishandle the equipment in the classroom.
 - c. Students must follow all other rules as specified by the teacher and/or the facilitator.
 - d. If technical problems occur the student is responsible to communicate to the teacher to gain access to the missed information and/or assignments.

The following procedures will be followed for students who do not or cannot abide by the above listed rules of participation:

1. The local policy and/or discipline management plan will be enforced for students in K-12 schools.
2. Dual credit course students will follow local policy and/or discipline management plan.
3. Undergraduate or graduate students will follow course syllabus rules for participation and course credit and local campus rules for facility use.

The school hosting the class will issue grades. Purposeful abuse of equipment will result in immediate dismissal from this class and all other classes on the Region 17 ITV network.

Student Waiver: I understand that in a Distance Learning Classroom my voice, physical presence, and participation in classroom activities will be transmitted to distance learning sites. I hereby agree that my voice, presence, and participation in these classes will not be a violation of my personal rights and hereby release any claims for the use of such during the duration of the distance learning class and the use of the videotapes for educational purposes during later classes or workshops.

I have read and I understand the policy and waiver above and agree to abide by the rules of this contract.
