

Introduction

AskTED is an online directory of Texas school information, including charter schools. The directory is primarily used by people seeking contact information for schools, districts, and education service centers. AskTED is a real-time database that is updated regularly by Texas School Systems.

To that end, Texas public school districts and open-enrollment charter schools are required to have both McKinney-Vento (Homeless) and Foster Care liaisons as individual designated roles for all school systems. The information must be maintained and stored in AskTED. It is important for school systems to keep this information regularly updated, so that Homeless and Foster Care liaison information is publicly available, and these points of contacts are available to support students and remove barriers related to school transitions and mobility.

Submitting or Updating Liaison Information

Each school system needs to ensure the contact information for their designated liaison is current and up to date throughout the school year. When information needs to be updated (e.g., change of designated staff, phone number, or email address), these changes need to be submitted to the AskTED database.

- For school districts, changes and/or submissions will be completed to TEA through each school district's AskTED administrator.
- For charter schools, please complete the [All-In-One Charter Update Form](#) for any AskTED updates. More information can be found here for [Charter Schools](#).

Steps to Search for Liaison Information

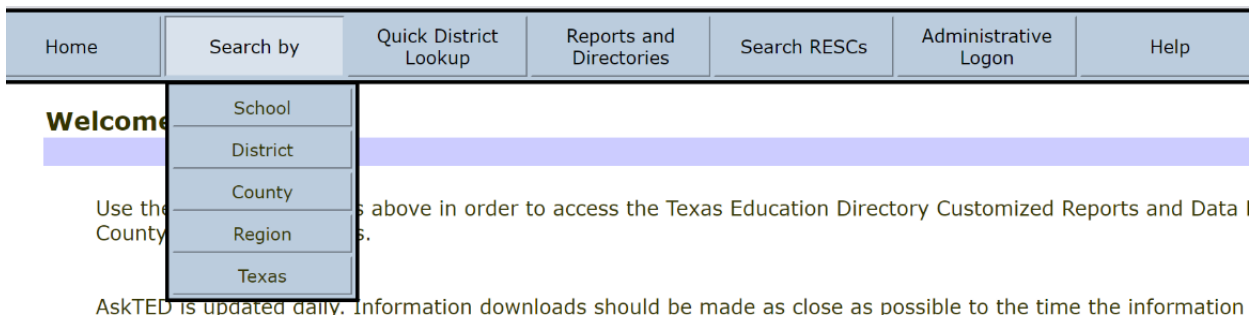

There are two (2) ways to access AskTED.

1. Go to [TEA Webpage](#) → Select AskTED from Popular Applications in the dark blue menu at the top.

When on AskTED homepage, users can use the drop-down menus at the top of the page to access the Texas Education Directory Customized Reports and Data Files. Under the 'Search by' menu, you will find searches for School, District, County, Region, and Texas.
